THANK YOU FOR YOUR SUPPORT!

As we wrap up another successful season for our five Waverly FC teams, I'd like to extend a heartfelt thank you to all players, families, volunteers and sponsors for your continued support. It has been a remarkable season, and WFC couldn't have done it without you.

Our primary focus will always be player development. While we enjoy winning, it will never be the sole focus. Our coaches and I are committed to building well-rounded athletes and individuals who grow on and off the field.

I encourage families to offer suggestions verbally and submit sponsorship/fundraising proposals in writing if they have and ideas to help enhance our organization and further our mission to serve young people. Your feedback is valuable and always welcome. Please send your ideas/proposals to wfcoccer@yahoo.com.

As an organization, we continue to seek more parents who would like to join our WFC Board as we push forward with plans to convert it into a non-profit organization.

As always, board meetings are open to all. This is your club! Parents are needed to help coach this winter (indoor) and spring (outdoor). If you are interested, WFC will pay for your USA Soccer online training!

We are growing rapidly and encourage more families to consider having their kids involved with WFC. Our upcoming winter training is free, making it a fantastic opportunity for new players to get a feel for our program. Our best recruiters are all of you! Please spread the word. Thank you for your support!

MORE IMPORTANT DETAILS

WFC Family,

We're excited to gauge interest for the upcoming optional indoor soccer season at Soccer Zone in Lansing, also known as Let's Play Soccer! The season will run from December 14 to February 8, with each team playing eight games. On some weekends, players may have the chance to play two games, adding even more fun and experience. Some helpful information is below that should help tell you more about the upcoming season. IMPORTANT: Parents will need to take the lead and coach teams since this is the off-season for WFC coaches.

Indoor League Divisions

- Soccer Zone will offer leagues for U8, U10, U12, U14, U16, and high school divisions. U8 games are expected to be scheduled on Saturdays between 10 a.m. and 2 p.m. Games for the older age groups could take place at any time on weekends. All games will be held at Soccer Zone.

Team Information and Costs

- We'd love to fill our teams as soon as possible! Each team can have up to 12 players, and the registration fee is \$1,070 per team, which includes a \$100 deposit for teams to secure a spot in each league. There's also a \$15 ref fee per game. Players must also pay a \$20 annual Soccer Zone membership fee.
- To keep costs around \$100 per player for the season, we're hopeful we have full rosters for each team. Soccer Zone's early registration is anticipated for the first week of November. Once we know how players want to play, we'll share more details.
- Starting in early November, all registration fees can be paid in-person at Soccer Zone, by phone, or online at <https://shorturl.at/z18dx>. To do that, you must first create an online account (if you don't already have one). Please specify you want to play for a WFC team.

Newcomers to Soccer Zone

- As mentioned above players need to pay a one-time annual fee of \$20 and have a parent/guardian sign a waiver, which can be done in person or online. After teams are established, we recommend completing all registration and fees in person at Soccer Zone, as it can be quicker during off-peak hours.

Important Details About Indoor Soccer

- Playing Up: Players can play in an older division but not in a younger one.
- “Parody Game”: The first game is a division game that helps Soccer Zone place teams based on skill level.

Gear needed

- Players need indoor soccer shoes and will need to wear their WFC jerseys. Those who don't have jerseys and may be new to our club can receive jerseys or something similar to borrow from the club for games.

Age Divisions by Birth Year:

U8: Born in 2017, 2018, or 2019

U10: Born in 2015 or 2016

U12: Born in 2013 or 2014

Confirm your interest now!

- Have player that will sign up for indoor?
- Reach out to Coach Bobby via Remind app.
- Make sure to share birth year for team placement.

What Parents and Players Can Right Do Now

- Create an Account at Let's Play Soccer and sign the waiver.
- Pay the \$20 Annual Fee (if new to Soccer Zone). This will get you ready for the next step: paying the player registration fee once registration opens.

Important Deadlines

- All players and teams must be registered by the Friday before Thanksgiving. We know this process is a bit different from our regular league, but we're confident it'll be a fun, fast-paced experience that all Warriors will enjoy.
- Indoor soccer is a great test of skills with the opportunity to play off the walls in a competitive setting! Questions? Please don't hesitate to ask.
